

Release Date: January 20, 2025

PALISADES FIRE REPOPULATION

WHAT: Evacuation Order changes for the Palisades Fire

DATE/TIME OF RELEASE: January 20, 2025, at 12:00 p.m.

WHERE: Areas of repopulation in the following zones

EVACUATION ORDERS REDUCED TO RESIDENT-ONLY ACCESS:

- **Los Angeles County Zones:** TOP-U007-A

ROAD CLOSURES EXIST WITHIN THE FIRE PERIMETER. CHECK FOR UPDATED ROAD CLOSURES HERE: dpw.lacounty.gov/roadclosures/

Palisades Fire Evacuation Map, please visit: [Palisades Fire | CAL FIRE](#)

ADDRESS VERIFICATION REQUIREMENT: When approaching the roadblock, residents must provide proof of residency. Acceptable forms of identification are a photo ID that displays the resident's name, photo, and physical address. Please have these documents ready to ensure a smooth verification process.

KNOW YOUR ZONE: Knowing your zone is critical to staying safe during a public safety emergency such as a wildfire, flood, tsunami, hurricane, earthquake, or active shooter incident. Zones will be used in emergency alert notifications to communicate who is impacted by an emergency and what actions should be taken.

Visit protect.genasys.com and type your address into the search bar at the top left.

SAFETY MESSAGE: The public is reminded to stay vigilant on current fire conditions. Please continue to adhere to road closures and evacuation orders or warnings. If you see electrical wires on the ground, stay clear and call 9-1-1 IMMEDIATELY. Power may be out when you return home. For those utilizing backup generators, please review the generator use for safety information at [Backup Systems | Grid Interconnections | Generating Your Own Power | Your Business | Home - SCE](#). Trees and poles with deep charring should be considered hazardous, particularly if still smoldering. Please use caution in these areas and obey all traffic control signs. Fire crews and utility companies will remain in the area to mitigate fire concerns, restore utilities, and bolster infrastructure.

Los Angeles Department of Power and Water (LADWP) customers can sign up for alerts by visiting: <http://www.ladwp.com/outages>. So Cal Edison's residents can sign up for emergency alert notifications by visiting: [Get Outage Alerts](#).

The danger doesn't end when the wildfire is extinguished. The aftermath can present various hazards, from flash flooding and debris flows to structural instability and compromised trees. Here's a comprehensive guide to navigating this critical period safely: [Returning Home Checklist | CAL FIRE](#).
