DECLARATION

I hereby declare that I am voluntarily willing to pay the visa consular fees by using the credit/debit card payment facility provided by the Embassy with the assistance of Global Pay.

I am aware that the payment by card will incur certain convenience fees charged by the service provider which are to be added to the consular fees payed in exchange for the services provided by the Embassy.

I am conscious that the Embassy has no bearing on these additional charges and I am willing to pay them so as to have the transaction processed by credit/debit card.

I undertake not to raise any subsequent objection to these charges nor will I claim chargeback for the transaction.

I am aware that I will pay the convenience fees depending on my type of card (as mentioned in the table below).

I am finally aware that the Embassy will issue a receipt exclusively for the consular fees (not the convenience fees).
