Entity Presentation (We are)

The mission of unit ECFIN.A.3 is to inform and facilitate economic policy decisions in the euro area and the European Union by monitoring and analysing the economic situation and outlook. The unit is in charge of some of DG ECFIN's core outputs and activities, namely the European Economic forecasts and the Joint Harmonised EU Programme of Business and Consumer Surveys (BCS). Composed of around 20 staff members, the unit is organised in two teams: one in charge of macro-economic forecasts and the analysis of economic developments in the EU and the euro area, and one in charge of business and consumer surveys and short-term forecasts.

Job Presentation (We propose)

The seconded national expert will be part of the team working on business and consumer surveys and short-term forecasts. Her/his main areas of responsibility will be to contribute to the management and analytical exploitation of the Joint Harmonised EU Programme of Business and Consumer Surveys (BCS).
