Subject: Secondment to the General Secretariat of the Council of a national expert in the field of digital communication – application deadline extension

Ref.: SNE/07/2026-COMM.1.C.S2 - 1 post

Dear Sir or Madam,

The General Secretariat of the Council (GSC) co-manages a single website for the Council presidencies. This service is provided by the GSC, at no additional cost, to all presidencies.

In addition, the GSC works closely with each presidency to support their social media activities, share social media content and create communication opportunities. It is also working increasingly closely with the permanent representations to share information about social media content and relevant communication opportunities and provide social media assistance.

In this context, the GSC is looking for a seconded national expert to work within the GSC to help launch and run the website of each presidency, and to ensure that this website and the Council website complement each other and that there is optimal coordination of social media activities during the presidency. He or she would also work closely with the permanent representations to share social media content and exchange best practices.

During the secondment, the national expert will have the chance to work on policies that directly impact the future of Europe, engage with key international stakeholders and participate in high-level negotiations in a dynamic and collaborative environment. Moreover, the importance of work-life balance is recognised at the GSC, and flexible working hours, as well as the possibility to work remotely part of the time, are offered to

accommodate both personal and professional needs.

The job description, which details the qualifications and experience required, is annexed hereto.

The conditions of the secondment, including allowances paid by the Council, are set out in the Council Decision of 23 June 2015 concerning the rules applicable to experts on secondment to the General Secretariat of the Council (Council Decision (EU) 2015/1027, OJ L 163, 30.6.2015, repealing Decision 2007/829/EC). According to Article 2 of that Decision, seconded national experts must be nationals of an EU Member State.

The duration of the secondment will be **two** years, with the possibility of extending it to a maximum of four years in total. Please note that in accordance with Article 5 of Council Decision (EU) 2015/1027, the secondment could, in exceptional cases, be extended for an additional two years.

The expert should take up their duties at the General Secretariat of the Council on **16 September 2026**.

Member States are hereby invited to propose qualified candidates for the post.

Proposals should indicate the national contact point(s) responsible for each candidate's application. Applications should be accompanied by a curriculum vitae detailing all posts held by the candidate to date, as well as their education, and by a letter of motivation.

Replies to this letter should be sent by email, no later than by **12:00 CEST on 12 June 2026**, to the following address: seconded.national.experts@consilium.europa.eu.

The relevant department, together with the Human Resources Directorate, will examine the applications received, decide which candidates to shortlist and conduct the interviews. The Appointing Authority will decide on the appointment based on the outcome of the selection procedure. The General Secretariat of the Council may also decide to use the list of suitable candidates to fill future vacancies with the same profile.

Further information can be obtained from the General Secretariat of the Council by contacting Mr Maciej BURY, Head of COMM.1.C, tel. +32 (0)2 281 4456, email: maciej.bury@consilium.europa.eu
